

BUILDING A BETTER CAMERA CASE

Every photographer or videographer's setup is different. That's why most hard shell case companies create camera cases with "Pick-and-Pluck" (cubed) foam interiors so customers can customize their cases to fit their gear. We created another solution with Think Tank Photo. Think Tank Photo, the premier photo/video bag and backpack company, provided their expertise to help us design several quality interiors that combine the best of two worlds: soft case adaptability with the unparalleled strength and durability people expect from SKB's versatile watertight, airline-tough iSeries cases.

You'll see the results of this exceptional collaboration on the upcoming pages. With the design and manufacturing help of Think Tank Photo, SKB will expand an entire series of products under the Photo Flyer Series including dividers designed specifically for photographers and videographers, lid organizers that are perfect for storing tablets, laptops, and other accessories, as well as a bunch of game-changing innovations yet to come. We understand that securely transporting expensive, sensitive, and highly customized gear is the number one priority for every pro photographer and videographer. With Think Tank's collaboration, we're confident we've developed the perfect solution—and we think you'll agree.

Travel confidently with your SKB case.

THE BEST TRANSPORT CASES IN THE WORLD!

In 1977, the first SKB case was manufactured in a small Anaheim, California garage by SKB founders Steve Kottman and Dave Sanderson. Today, SKB engineers cases for hundreds of companies involved in many diverse industries. We never lose sight of the fact that our customers give us the opportunity to excel and their challenges allow us to develop and grow.

CASE EXTERIOR | MEET EVERY CHALLENGE

SKB iSeries injection molded waterproof cases are constructed of ultra high-strength polypropylene copolymer resin. Each case is waterproof and dust tight with a submersible design (IP67) that is resistant to corrosion and impact damage. Its molded-in hinge, patented "one finger trigger release" latch system, comfortable, snap-down rubber over-molded cushion grip handle, secure stacking and automatic ambient pressure equalization valve (MIL-STD 648C) all contribute to its military grade design. Resistant to UV, solvents, corrosion, and fungus per MIL-STD-810F.

Features/Benefits

- **Injection molded** - High impact strength, 2.8x stronger than our competition
- **Lightweight** - Lighter than the competition
- **Interior options** - Empty, cubed, layered foam, padded dividers or custom foam
- **Field replaceable hardware** - Latches, handles, pull handle, hinges and wheels
- **Best latches in the industry** - Trigger latches, open quickly and easily with one finger operation
- **TSA lock options** - Easy transportation through airport security
- **Available in many sizes**

AUTOMATIC PRESSURE EQUALIZATION VALVE

Equalizes pressures caused by altitude or temperature change while keeping water molecules out.

POLYPROPYLENE CO-POLYMER

Provides unsurpassed protection and is lighter while being multiple times stronger than the competition.

WATERTIGHT/DUSTPROOF

IP-67 rated protective case.

REINFORCED PADLOCK HASPS

TRIGGER LATCHES

Key locking "TSA" accepted versions are available.

EASY TO STACK

Also on uneven surfaces.

IN-LINE SKATE WHEELS

Ensure smooth trouble free movement.

HANDLE

Flush snap-down overmolded handle for 2 man lift on large or long cases. Also available: colored handles.

CASE INTERIOR | THINK TANK PHOTO

ALL THINK TANK DIVIDERS INCLUDE

- Polyurethane backed Nyllex™ divider shell and divider walls including a 90° camera body bend
- Closed cell foam and PE board reinforced nylon dividers

ALL THINK TANK LID ORGANIZERS INCLUDE

- Padded top-load slot for documents, iPad or laptop
- Strong hook and loop for secure fit in lid
- Laminated zippered clear mesh pockets

THINK TANK CASE WITH DIVIDERS & ORGANISERS

In addition to our regular assortment for all your photo, video, and lighting needs, we're offering SKB Flyer Series cases developed specifically with photographers and videographers in mind. These sizes include two carry-on sized options ideal for DSLR and Mirrorless cameras, a rolling carry-on size, a checkable case for larger video gear, and an extra large size that's perfect for lighting stands and other equipment.

- Designed by photographers especially for photographers/videographers and their gear
- Upgraded, pro-quality padded dividers and lid organizers
- Fully customizable divider interiors to accommodate all setups
- Waterproof, dust-tight, military-grade hard case protection

HOW DO I CHOOSE THE RIGHT CASE?

1. Collect your gear
 2. Lay out your gear on a table
 3. Measure the rough dimensions to find the correct case.
- Not sure? We've also tried to capture images of some of the most popular camera equipment in the cases so you can identify by brand/model.

THE BEST OF BOTH WORLDS

Trying to decide between hard case protection and soft case portability? Now you can have both! Our new Flyer Series features two removable interiors for our popular 3i-2011-7 size that enable you to keep your gear close if you need to check your hard case or travel light at your destination. The 3i-2011-7DZ features a removable Think Tank designed zippered divider insert with convenient carrying strap. Perfect for DSLRs with battery grips or video gear.

Approved airline carry-on size

3i-2011-7BP

Features a removable Think Tank designed backpack with dividers, lid organizer, and exterior accessory pockets. Fits up to a 15" laptop and a 10" tablet.

Approved airline carry-on size

WE'VE GOT YOU COVERED

Designed to fit around the 3i-1309-6 or 3i-1510-6 hard case, these deluxe covers includes an exterior pocket that fits up to a 15" laptop and a 10" tablet, as well as a back pass-through that slides over a rolling luggage pull up handle, adding an extra level of storage and portability to make traveling with all your gear even easier.

Approved airline carry-on size
